

INTUITIVE CONTROL | MODE SELECT RING

Intuitive control: a new way of adjusting light modes

- Simply slide ring to desired position
- You can select mode prior to switching on
- Fast & intuitive operation
- Easy to use even with gloves
- One click to switch off
- Quick (dis)engagement of transport lock
- Ring serves as additional USB-C dust cover

1: on P7R, P7R Pro, P18R, P21R
